The entire workshop, meetings (except the local Danish meeting Friday) and events will be English speaking. It is not required to use a Big Book in English for the workshop.

OA approved literature and merchandise will be sold at the workshop. We encourage all our foreign OA brothers and sisters to bring some Danish kroner (DKK) as we have a limited capacity to exchange euro notes to Danish kroner. We will of course help out as much as we can.

All lunches and dinner sold at the workshop will be healthy and free of sugar and wheat.
